A Note From Operation: Care and Comfort

Dear friends,

Thanksgiving is my favorite holiday. Although things may look different than most years with Covid-19 restrictions, I will still reflect on all that I am thankful for. My family, home, and friends including YOU!

As a charitable organization we have not stopped working. Our volunteers stayed busy and worked hard to remain Covid-free. In November we packed and mailed 204 care packages filled with holiday treats and surprises to forward deployed troops.

Here at home we handed care packages to more troops stuck in the dorms and barracks at Travis AFB and Presidio of Monterey.

We also created more fantastic Kid Kits which will be gifted in December, and we are planning a distribution of toys and grocery store gift cards to help with holiday meals. We can't wait to share all of our December news with you soon — so much planned!

THANK YOU to all who responded with a donation last month. There are many opportunities now through the end of the year for you to support our efforts. Please consider OCC when choosing charities in workplace giving campaigns such as the CFC Campaign and others. Help us by using the link to our Amazon Prime account when shopping on Black Friday and Cyber Monday. Don't forget Giving Tuesday in December, too. December is also the last chance to donate before the end of the tax year.

THANK YOU for your friendship and your faith in our organization.

HAPPY THANKSGIVING to you and those you love.

We received gorgeous hand made stockings from long time OCC supporter Roseville Quilters Guild!

They will be stuffed and donated to a local V.A. Clinic!

The Roseville Quilters Guild made 100+ of these adorable Christmas stockings for our holiday boxes being sent overseas.

They also made them for the veterans at the Vet Home in Redding, CA!

Such an awesome job.

A Great Start To A Day For OCC

We received this message in an email today, and it was such a great way to start our day! THANK YOU to USAF spouse Elizabeth for supporting OCC. I asked her why she chose OCC as her Birthday Cause, and she said,

“My husband is Air force. I'm already one of your top fans on FB I believe. I chose you guys because I really like what you do for our troops, vets and families. We have also been lucky enough to receive tickets from you guys for a few things (back when we could go to sporting events!) So I like to give back when and how I can!”

Hooah, Liz!
