A Note From Operation: Care and Comfort

Dear Friends and Supporters,

As we come to an end of the month, 2023 and our 20th anniversary year, we look back and have to say "dang, that was a busy and exciting year." We hope you all had a wonderful Christmas and holidays, and look forward to turning 21 and "being legal" — LOL.

Closing the year out wouldn't be complete without **THANKING** our generous and faithful partners, supporters and friends - we are truly blessed.

We also want to **THANK** our Storage Warriors who meet every Monday to collect, sort, unpack, and pack donations and share some amazing treats! This small key group is the backbone of Operation: Care and Comfort (OCC) and make us go.

THANK YOU to our faithful Board of Directors who work hard to promote OCC and our mission.

Last but not least, **THANKS** to the thousands of individuals and groups who donate time, talent and treasure to OCC, and to those who participated in our fundraisers.

We have a new event in 2024 that we will be announcing soon.

Before year end, we kindly ask that if you have not made a donation to an organization, whether it be for tax purposes, "In Memoriam" or "just because", please consider OCC.

When making a donation to any charity, do your homework. Research if that organization is transparent with how they use their donations. Are they audited annually, do they share it and their tax filings on their website? How much of their donations are spent on salaries, rent, advertising, etc.?

OCC's overhead is about 5% which means 95 cents of every dollar you donate is used to support military, veterans and their families. We believe in donor intent. NO ONE takes a salary, we don't pay rent for office space or advertise and work hard to maximize every dollar.

Thank You again for making 2023 a great 20th anniversary for OCC. We truly look forward to seeing you all soon!
